Dear Ms. Edevold,

We received your letter requesting abatement of the penalty and interest charge related to a late payment on liquor sales tax for Tiger Sushi. I have reviewed your letter and the information provided by staff in the Finance Department.

In consideration of the fact that Tiger Sushi previously had a history of timely tax payments, I am granting an abatement of the penalties and interest charges owed of \$11.02.

We appreciate your efforts to pay your tax liability conscientiously and timely. If you have any further questions, please contact Mary Lee in the Finance Department at (952) 563-4763 or myself at (952) 563-8780.

Sincerely,

Jamie Verbrugge
City Manager
